STATE OF ARKANSAS
CONTRACT AWARD

AWARD NO: SP-07-0035

PAGE 3

AUTOMOBILES, VANS AND TRUCKS

1. PURPOSE AND INTENT

It is the intent of this Invitation for Bid to solicit and obtain competitive bids as a basis for establishing a contract under which the State of Arkansas and Cooperative Purchasing Program Participants may purchase cars, vans, light trucks, and one (1) ton trucks.

2. TERM OF CONTRACT

Term of this contract will be from date of award through June 30, 2007. Availability of individual line items will depend on factory order cut-off dates. Many items will have cutoff dates by February-April of 2007. Upon mutual agreement, contract for individual items may be extended up to one (1) additional year, or a portion thereof in accordance with the terms of the original contract.

3. AWARD AND REQUIREMENTS

This contract will be awarded by item. Option prices may be a determining factor in award of this contract. Bidder must also meet all requirements set forth by the Arkansas Motor Vehicle Commission, prior to bidding.

4. QUANTITIES

Actual quantities of vehicles that will be ordered are not known at this time. On last year contract, the State of Arkansas ordered approximately 700 various vehicles within the scope of this bid.

5. SPECIFICATIONS

All vehicles shall be new and shall be the latest model of proven performance and in standard production by manufacturer at time of delivery. Bidder's offering must conform to the State of Arkansas Specifications referenced herein. Specifications for these vehicles are minimum and bidders may bid more than one (1) model for each type, but they must meet or exceed the minimum specifications.

6. WARRANTY

The supplier warrants each vehicle to be of good material and workmanship and agrees to promptly replace any part or parts, when the vehicle is returned to the suppliers place of business or a pre-approved location, which by reason of defective material or workmanship shall fail under normal use, free of negligence or accident, for a minimum period of thirty-six (36) months or 36,000 miles, whichever comes first, from the date of delivery. If such failure renders the vehicle incapable of being driven, the supplier will be responsible for having the vehicle transported to his place of business. If such failure takes place outside the suppliers service area, the supplier will be responsible for reimbursing the nearest authorized dealer for services rendered under this warranty. Tires are exempted from this warranty but must be covered by the tire manufacturer's standard warranty and services provided by the local authorized dealer of the tire manufacturer.

STATE OF ARKANSAS
CONTRACT AWARD

AWARD NO: SP-07-0035

PAGE 4

NOTE: THIS WARRANTY APPLIES TO POLICE PURSUIT VEHICLES STARTING WITH THE DATE THE VEHICLE IS PUT IN SERVICE, NOT DELIVERED DATE.

7. ACKNOWLEDGEMENTS AND PAYMENTS:

Awarded vendors must send, to the ordering entity, an order acknowledgement within 10 days after receipt of order. Upon delivery of the vehicle, the vendor is required to provide original invoice, odometer statement, certificate origin and any other documentation required to license and pay sales tax on vehicle. To ensure prompt payment, vendor must provide a copy of the invoice and the signature of agency representative on a copy of the purchase order or any other receiving document and date received to the "bill to address".

8. DELIVERY TO ARKANSAS STATE AGENCIES: F.O.B. DESTINATION

Bid prices must include delivery of all vehicles to the ordering agency regardless of location within the State of Arkansas. Bidder must state approximate delivery for each vehicle in the space provided. If delivery time stated is considered excessive by the Office of State Procurement, bid for that vehicle may be rejected. Failure to deliver the vehicle within the stated time may result in cancellation of the order of vehicle(s). If cancellation occurs, the Office of State Procurement may purchase the vehicle(s) from another source and charge the difference (if any) to the defaulting contractor.

9. PRICE INCREASES

Price increases will be allowed if the manufacturer has a general price increase on any model on the contract. However, the price increase must be documented by a letter from the manufacturer and only that amount will be allowed. The effective date of the increase will be 10 days after Office of State Procurement accepts it. The successful vendor(s) must guarantee that the ordering agency will receive the full general price decrease or rebate amount the manufacturer offers on any vehicle(s) within this contract.

10. ADDITIONAL OPTIONS NOT SPECIFIED:

Agencies/Awarded Vendors cannot add options to vehicle purchases from this contract unless the option is referenced within this Invitation for Bid/Contract for that vehicle.

STATE OF ARKANSAS
CONTRACT AWARD

AWARD NO: SP-07-0035

PAGE 5

11. SELLING TO COOPERATIVE PURCHASING PROGRAM PARTICIPANTS

Arkansas Purchasing Law provides that local public procurement units (counties, municipalities, school districts, certain not-for-profit corporations, etc.) may participate in state purchasing contracts. The contractor(s) therefore agree(s) to sell to Cooperative Purchasing Program Participants. Unless otherwise stated, all standard and special terms and conditions listed within the Invitation for Bid must be equally applied to such participants. (Notice 12 and 13 for co-op participants.)

12. COOPERATIVE PURCHASING PROGRAM PARTICIPANTS NOTE:

In order to provide the discounted prices offered in this procurement package to both the State and the Cooperative Purchasing Program participants, the vehicle bidders must receive timely payment, payment for partial shipment on multiple vehicle orders, and have all required approvals obtained prior to order placement. All these conditions are being met by state agencies, who are required to have sufficient funds and approvals before orders are placed and to make prompt payment for vehicles as received. It is incumbent upon Cooperative Purchasing participants to have all approvals obtained and funds available to complete the purchasing transaction in a prompt manner. Most of the dealers have fifteen days from the time a vehicle leaves the factory to pay the manufacturers. In order to continue to receive the fleet pricing, you must ensure prompt payment for each vehicle as it is received.

13. DELIVERY TO ARKANSAS COOPERATIVE PURCHASING PROGRAM PARTICIPANTS:
FOB DEALERSHIP

Arkansas Cooperative Purchasing Participants will have the option to pick up vehicle(s) at dealership location or have vehicle(s) delivered to the ordering agency location with a charge per mile added to each vehicle. Bidder must state approximate delivery for each vehicle in the space provided. If delivery time stated is considered excessive by the Office of State Procurement, bid for that vehicle may be rejected. Failure to deliver the vehicle within the stated time may result in cancellation of the order of vehicle(s). If cancellation occurs, the Office of State Procurement may purchase the vehicle(s) from another source and charge the difference (if any) to the defaulting contractor.

STATE AGENCY GUIDELINES

1. **ORDERING VEHICLES**

All vehicles as defined by Arkansas Code Annotated of 1987 at section §22-8-206, will be ordered by the Department of Finance & Administration, Administrative Services. Vehicles not covered by Arkansas Code Annotated of 1987 at section §22-8-206, will be ordered by Ordering Agency after notifying the Office of State Procurement.

- 1.1 **Ordering** - A state agency purchase order(s) and all necessary supporting documents will be sent to the AR Department of Finance and Administration, Office of Administrative Services.
- 1.2 **Options** - Purchasers shall select preferred options listed in addenda 1 through 9 and include the following information in their procurement request:
 - a. Title, number, and date of this specification.
 - b. Title, and number of the addendum.
 - c. Numbers and descriptions of the options selected.
- 1.3 **Exclusivity** - This specification shall, until revised or rescinded by the Office of State Procurement, apply to each future purchase and/or contract of those commodities described herein.

2. **ADDITIONAL OPTIONS NOT SPECIFIED:**

Agencies/Awarded Vendors cannot add options to vehicle purchases from this contract unless the option is referenced within this IFB/Contract for that vehicle.

3. **ONE TON VEHICLES**

Except for agencies that are exempt, it is required when agencies are ordering One (1) Ton vehicles from this contract that the original approved MV-6 form and a copy of the agency purchase order be sent to the Office of State Procurement, attention: Vehicle Buyer.

4. **OTHER VEHICLES**

Vehicles which do not conform to the State of Arkansas Standard Specifications and have been approved for purchase will be bid on an individual basis.

STATE OF ARKANSAS
DEPARTMENT OF FINANCE AND ADMINISTRATION
OFFICE OF STATE PROCUREMENT

STANDARD SPECIFICATIONS FOR AUTOMOBILES AND STATION WAGONS

1. SCOPE AND CLASSIFICATION:

- 1.1 Scope - To set forth the minimum acceptable standards in obtaining automobiles and station wagons in conjunction with this specification and the requirements of this state.
- 1.2 Classification - Vehicles covered herein shall be of the following types and options as specified in the Invitation for Bid (IFB).

TYPE ABA - Four (4) door subcompact sedan, see addendum 1, page 51
TYPE ACA - Four (4) door compact sedan, see addendum 2, page 52
TYPE ADA - Four (4) door mid-size sedan, see addendum 3, page 53
TYPE AEA - Four (4) door large sedan, see addendum 4, page 54
TYPE SAA - Four (4) door compact station wagon, see addendum 5, page 55
TYPE SBA - Four (4) door mid-size station wagon, see addendum 6, page 56
TYPE JAA - Four (4) door campus security compact sedan, see addendum 7, page 57
TYPE KAA - Four (4) door mid-size police sedan, see addendum 8, page 58 - 59
TYPE LAA - Four (4) door large police sedan, see addendum 9, page 60 - 61
TYPE MAA - Four (4) door mid to large size police sedan, see addendum 10, page 62 - 63

2. APPLICABLE DOCUMENTS:

- 2.1 Reference to any standard(s), specification(s), amendment(s) and/or test method(s) shall be to the current issue(s) in effect on the date of the Invitation for Bid (IFB).
- 2.2 Interior volumes, vehicle size classification, and gasoline mileage shall conform to minimums shown in the latest edition of the Fuel Economy Guide published by the Environmental Protection Agency.

3. REQUIREMENTS:

- 3.1 All vehicles furnished to the State of Arkansas shall be new and delivered as specified in the Invitation for Bid (IFB). Vehicles shall be furnished with all interior, exterior trim and appointments listed by the manufacturer in printed specifications and literature as standard equipment. Vehicles shall also be equipped with any and all safety equipment required by the State of Arkansas and/or applicable Federal Regulations. Any upgrades and/or additional equipment necessitated by selection of any listed option by the ordering entity shall be included in the prices bid, and no additional charge shall be made by the vendor.

STATE OF ARKANSAS
CONTRACT AWARD

AWARD NO: SP-07-0035

PAGE 49

3.2 Warranty - From date of delivery, each vehicle shall be accompanied by a warranty for a minimum of thirty six (36) months or thirty six thousand (36,000) miles, whichever comes first. Warranty shall certify that the vehicle is of good material and workmanship and that the replacement of any part or parts that fail under normal use within the designated period, free of negligence or accident, will be promptly repaired or replaced at NO cost to the agency, institution, or other public body that purchased the vehicle.

3.3 Specific Requirements - See addenda 1 through 10 for specific requirements appropriate to each type of vehicle listed herein.

4. SAMPLING, INSPECTION AND TEST PROCEDURES:

4.1 Responsibility for Inspection - Unless otherwise specified, the successful contractor will be responsible for performing all inspections required herein. The Office of State Procurement reserves the right to make any and all inspections deemed necessary to insure compliance with this specification.

4.2 Samples - After bid results are tabulated, the Office of State Procurement reserves the right to require samples of selected vehicles be made available for inspection and evaluation as required in the IFB.

5. PREPARATION FOR DELIVERY:

5.1 Each vehicle shall be completely serviced, cleaned, and thoroughly inspected by the successful contractor just prior to delivery to the purchasing entity. No dealer advertisement shall be on any vehicle purchased by the State of Arkansas.

PREDELIVERY REQUIREMENTS:

- a. Complete lubrication.
- b. Fill crankcase with oil.
- c. Adjustment of engine to proper operating conditions.
- d. Inflate tires to proper pressure.
- e. Careful check to assure perfect operation of all mechanical features.
- f. Front end alignment and wheels balanced.
- g. Cleaning of vehicle, if necessary, and removal of all unnecessary tags, stickers, papers, etc. Window price sticker shall not be removed.
- h. No dealer's insignia shall be affixed to vehicle.
- i. A minimum five gallons of fuel in each vehicle.
- j. Delivery shall be during normal working hours, 8 A.M. to 4 P.M., Monday through Friday.
- k. License plate holders installed, front and rear.

STATE OF ARKANSAS
CONTRACT AWARD

AWARD NO: SP-07-0035

PAGE 50

6. NOTES:

6.1 Ordering - A state agency purchase order(s) and all necessary supporting documents will be sent to the AR Department of Finance and Administration, Office of Administrative Services.

6.2 Options - Purchasers shall select preferred options listed in addenda 1 through 9 and include the following information in their procurement request:

- a. Title, number, and date of this specification.
- b. Title, and number of the addendum.
- c. Numbers and descriptions of the options selected.

6.3 Exclusivity - This specification shall, until revised or rescinded by the Office of State Procurement, apply to each future purchase and/or contract of those commodities described herein.

6.4 Copies of this specification can be obtained from:

Arkansas Department of Finance and Administration
Office of State Procurement

B.1 Standard Equipment - Every vehicle shall be equipped with the following:

- a. Air conditioning: factory installed and tinted glass in all windows.
- b. Alternator: heavy duty, minimum of 100 amperes.
- c. Anti-freeze: serviced to -29°C (-20°F) or lower.
- d. Automatic speed control (may be dealer installed, but of same manufacturer as vehicle) and tilt steering wheel.
- e. Automatic Transmission: minimum of three (3) forward speeds and one (1) reverse.
- f. Battery: maintenance free, type recommended by manufacturer for vehicle as equipped.
- g. Brakes: ABS type brake system.
- h. Cooling system: heavy duty, including heavy duty extra capacity radiator, heavy duty temperature controlled fan, and factory installed coolant recovery system.
- i. Defroster (rear window).
- j. Disconnect door courtesy light switches.
- k. Drive axle: manufacturer to select axle ratio which will provide the best overall performance and the heaviest duty available.
- l. Electric controlled door locks.
- m. Engine: suitable for police pursuit work and capable of accelerating from 0 to 60 mph in a maximum of 14.5 seconds with a minimum top speed of 105 mph as shown in the latest Michigan Police Vehicle Test. Engine shall be equipped with dual exhaust (or single if large enough for proper elimination of pressure) and external engine oil cooler.
- n. Engine compartment light.
- o. Floor mats: individual front and rear, color to coincide with interior.
- p. Glove box light.
- q. Heater: integral fresh air heater and defroster.
- r. Horns, dual.
- s. Inside hood latch control.
- t. License plate brackets; front and rear.
- u. Lights, interior: standard dome light with map or reading lights, extra dome and reading light in center of windshield header.
- v. Locks, door: single key locking system for each car. Three (3) keys per vehicle.
- w. Mirrors, rear view: remote control both sides. Non-glare day-night inside.
- x. Operator's manual.
- y. Paint: One (1) exterior color selected from manufacturer's list and specified by the ordering entity.
- z. Police package: including all features listed in the manufacturer's printed specifications and literature part of their police equipment package.

ADDENDUM 8: TYPE KAA: Four (4) Door Mid-Size Police Sedan, Chevrolet Impala (no substitutes)

aa. Power Windows and Door Locks: factory installed.

bb. Power steering: firm feel power assisted steering gear and linkage.

cc. Power windows.

dd. Protective body side molding.

ee. Quiet sound group (special noise deadening insulation).

ff. Radio: factory installed in dash AM/FM.

gg. Radio suppression: radio frequency interference suppression measures and devices shall be incorporated into the vehicle so that interference generated does not exceed the limits established in SAE standard J55, entitled "Measurement of Vehicle Radio Interference (30 to 40 megacycles)".

hh. Remote deck lid release, control on driver's side.

ii. Seats: Bench type with heavy-duty cloth upholstery.

jj. Speedometer: 0 to 120 mph, certified calibrated within two (2) MPH. Allowable instrument error to be \pm one (1) mph at all speeds between 10 and 100 mph.

kk. Spotlight: factory installed, left side. not less than 5 inches with aircraft or halogen bulb.

ll. Suspension: maximum handling package designed to limit body roll, allow flat cornering, limit dive on severe braking, limit squat on fast acceleration, and to provide optimum handling. Package should include, at a minimum, extra control front and rear shock absorbers, extra heavy duty frame or frame member reinforcement on unit frame, and front and rear stabilizer bars.

mm. Tires: P215-65R15 tubeless, fabric body and belts. Pursuit radial. Tires must be certified by both the tire and auto manufacturer for police use to 120 mph sustained

nn. Wheels: heavy duty, 15 inch diameter.

oo. Windshield wipers: intermittent type.

pp. Upholstery: cloth or vinyl, police duty, color to coordinate with exterior color.

Dark colors and black unacceptable due to heat build-up.

B.2 Optional Equipment - Purchasers may select the following:

IO. Roof reinforcement for light bar installation.

MO. Delete spotlight: spotlight may be deleted for credit.

NO. Bucket seats.

VM. Vinyl Floor Mats, Front & Rear

VO. Delete ABS type brake system.

VS. Vinyl Seats, Rear only

WO. Full size wheel covers, all four wheels.

WI. Unmarked police package: Full wheel covers, bench seats, carpeted floor, regular outside trim, etc.

WL. Full sized spare with tire to match others on vehicle.

STATE OF ARKANSAS
DEPARTMENT OF FINANCE AND ADMINISTRATION
OFFICE OF STATE PROCUREMENT

STANDARD SPECIFICATIONS FOR TRUCKS, ONE (1) TON AND LESS

1. SCOPE AND CLASSIFICATION:

1.1 Scope - To set forth the minimum acceptable standards in obtaining trucks of (1) one ton or less capacity in conjunction with this specification and the states requirements.

1.2 Classification - Vehicles covered herein shall be of the following types and options as specified in the Invitation for Bid (IFB):

TYPE PAA - Compact Pickup Truck, see addendum 1, page 68

TYPE PAB - Compact Pickup Truck with Extended Cab, see addendum 2, page 69

TYPE PAD - Compact Truck, 4x4, Crew Cab, see addendum 2A, page 70

TYPE PBA - Full Size 1/2 Ton Pickup Truck, 6-Cylinder, see addendum 3, page 71

TYPE PBB - Full Size 1/2 Ton Pickup Truck, 6-Cylinder, with Extended Cab,
see addendum 4, page 72

TYPE PBC - Full Size 1/2 Ton Pickup Truck, 6-Cylinder, with Extended Cab, 4 doors,
see addendum 5, page 73

TYPE PGA - Full Size 1/2 Ton Pickup Truck, 8-Cylinder, see addendum 6, page 74

TYPE PGB - Full Size 1/2 Ton Pickup Truck, 8-Cylinder, with Extended Cab,
see addendum 7, page 75

TYPE PGC - Full Size 1/2 Ton Pickup Truck, 8-Cylinder, with Extended Cab,
4 doors, Long Bed, see addendum 8, page 76

TYPE PGD - 1/2 Ton Pickup (Heavy Duty) Long Bed, see addendum 9, page 77

TYPE PGE - 1/2 Ton Pickup (Heavy Duty) Long Bed, Extended Cab,
see addendum 10, page 78

TYPE PGF - 1/2 Ton Pickup (Heavy Duty) Long Bed, Extended Cab, 4 Doors,
see addendum 11, page 79

TYPE PCA - 4 x 4, 1/2 Ton Pickup Truck, see addendum 12, page 80

TYPE PCB - 4 x 4, 1/2 Ton Pickup Truck, Extended Cab, see addendum 13, page 81

TYPE PCC - 4 x 4, 1/2 Ton Pickup Truck, Extended Cab, 4 Doors,
see addendum 14, page 82

TYPE PJA - 3/4 Ton Pickup (Heavy Duty), see addendum 15, page 83

TYPE PJB - 3/4 Ton Pickup (Heavy Duty), Extended Cab, see addendum 16, page 84

TYPE PJC - 3/4 Ton Pickup (Heavy Duty), Extended Cab, 4 doors, Long Bed,
see addendum 17, page 85

TYPE PJD - 3/4 Ton Pickup (Heavy Duty), Crew Cab, Four Full Doors, Short Bed,
see addendum 18, page 86

TYPE PEA - 4 x 4, 3/4 Ton Pickup Truck, see addendum 19, page 87

TYPE PEB - 4 x 4, 3/4 Ton Pickup Truck, Extended Cab, see addendum 20, page 88

TYPE PEC - 4 x 4, 3/4 Ton Pickup Truck, Extended Cab, 4 doors,
see addendum 21, page 89

TYPE PED - 4 x 4, 3/4 Ton Pickup Truck, Crew Cab, Four Full Doors, Short Bed,
see addendum 22, page 90

TYPE PKA - Full Size One (1) Ton Pickup Truck, Dually, see addendum 23, page 91

STATE OF ARKANSAS
CONTRACT AWARD

AWARD NO: SP-07-0035

PAGE 65

TYPE PKB - Full Size One (1) Ton Pickup Truck, Dually, Extended Cab,
see addendum 24, page 92

TYPE PQA - One-Ton Truck (Standard Chassis) Cab/Chassis, see addendum 25, page 93

TYPE PQB - One-Ton Truck (Standard Chassis) Cab/Chassis, Crew Cab,
see addendum 26, page 94

TYPE PRA - One-Ton Truck (Long Chassis) Cab/Chassis, with Dual Rear Wheels,
see addendum 27, page 95

TYPE PRB - One-Ton Truck (Long Chassis) Cab/Chassis, with Dual Rear Wheels, Crew Cab
see addendum 28, page 96

NOTE: Obtaining a cargo carrier other than those listed for a Type PQ or PR one-ton truck shall be the responsibility of the purchasing entity as an aftermarket option.

2. APPLICABLE DOCUMENTS:

- 2.1 Reference to any standard(s), specification(s), amendment(s), and/or test method(s) shall be to the current issue(s) in effect on the date of the Request for Quotation (RFQ).
- 2.2 Gasoline mileage shall conform to minimums shown in the latest edition of the Fuel Economy Guide published by the Environmental Protection Agency.

3. REQUIREMENTS:

- 3.1 All vehicles furnished to the State of Arkansas shall be new and delivered as specified within the Request for Quotation (RFQ). Vehicles shall be furnished with all interior, exterior trim and appointments listed by the manufacturer in printed specifications and literature as standard equipment. Vehicles shall also be equipped with any and all safety equipment required by the State of Arkansas and/or applicable Federal Regulations. Any upgrades and/or additional equipment necessitated by selection of any listed option by the ordering entity shall be included in the prices bid, and no additional charge shall be made by the vendor.
- 3.2 Warranty - From date of delivery, each vehicle shall be accompanied by a warranty for a minimum of thirty six (36) months or thirty six thousand (36,000) miles, whichever comes first. Warranty shall certify that the vehicle is of good material and workmanship and that the replacement of any part or parts that fail under normal use within the designated period, free of negligence or accident, will be promptly repaired or replaced at NO cost to the agency, institution, or other public body that purchased the vehicle.
- 3.3 Specific Requirements - See addenda 1 through 28 for specific requirements appropriate to each type of vehicle listed herein.

STATE OF ARKANSAS
CONTRACT AWARD

AWARD NO: SP-07-0035

PAGE 66

4. SAMPLING, INSPECTION, AND TEST PROCEDURES:

- 4.1 Responsibility for inspection - Unless otherwise specified, the successful contractor will be responsible for performing all inspections required herein. The Office of State Procurement reserves the right to make any and all inspections deemed necessary to insure compliance with this specification.
- 4.2 Samples - after bid results are tabulated, the Office of State Procurement reserves the right to require samples of selected vehicles be made available for inspection and evaluation as required in the RFQ.

5. PREPARATION FOR DELIVERY:

- 5.1 Each vehicle shall be completely serviced, cleaned and thoroughly inspected by the successful contractor just prior to delivery to the purchasing entity. No dealer advertisement shall be on any vehicle purchased by the State of Arkansas.

PREDELIVERY REQUIREMENTS:

- a. Complete lubrication.
- b. Fill crankcase with oil.
- c. Adjustment of engine to proper operating conditions.
- d. Inflate tires to proper pressure.
- e. Careful check to assure perfect operation of all mechanical features.
- f. Front end alignment and wheels balanced.
- g. Cleaning of vehicle, if necessary, and removal of all unnecessary tags, stickers, papers, etc. Window price sticker shall not be removed
- h. No dealer's insignia shall be affixed to automobile.
- i. A minimum five gallons of fuel in each vehicle.
- j. Delivery shall be during normal working hours, 8 A.M. - 4 P.M. Monday - Friday.
- k. License plate holders installed, front and rear.

6. NOTES:

- 6.1 Ordering - State agency purchase order(s) and all necessary supporting documents will be forwarded to the Department of Finance and Administration, Office of Administrative Services.
- 6.2 Options - Purchaser shall select preferred options listed in addenda 1 through 28 and include the following information in their procurement request:
 - a. Title, number, and date of this specification.
 - b. Title, and number of addendum.
 - c. Numbers and descriptions of the options selected.

ADDENDUM 1: TYPE PAA: Compact Pickup Truck

A. Equipment:

A.1 Standard Equipment - Each long bed pickup truck shall be equipped as follows:

- a. Air conditioning: factory installed, and tinted glass.
- b. Alternator: type recommended by manufacturer for truck as equipped.
- c. Antifreeze: serviced to -29°C (-20°F) or lower.
- d. Battery: Maintenance free, type recommended by manufacturer for vehicle as equipped.
- e. Bumpers: standard front, heavy duty step type rear.
- f. Engine: gasoline engine of manufacturer's standard size for truck as equipped.
- g. Horsepower/Torque: minimum of 148 hp rating and 180 lb torque
- h. License plate brackets: front and rear.
- i. Long wide pickup box.
- j. Mirrors: two (2) outside, low mount, right and left.
- k. Operator's manual.
- l. Paint: One (1) standard exterior color selected from manufacturer's list and specified by ordering entity.
- m. Power brakes: Factory installed.
- n. Power steering.
- o. Radio: factory installed in dash AM/FM.
- p. Tires: five (5) radial, tubeless, type recommended by manufacturer for vehicle as equipped.
- q. Transmission: automatic, with a minimum of three (3) forward speeds and one (1) reverse.
- r. Upholstery: manufacturer's standard materials and colors to coincide with exterior color.

A.2 Optional equipment - Purchasers may select from the following:

- LS. Differential: limited slip, ratio as recommended by manufacturer.
- PO. Automatic Speed Control (may be dealer installed but shall be from same manufacturer as vehicle).
- QI. Short Wide Pickup Box.
- TO. Without air conditioning.
- ZO. Transmission: manual, with a minimum of three (3) forward speeds and one (1) reverse.

STATE OF ARKANSAS
DEPARTMENT OF FINANCE AND ADMINISTRATION
OFFICE OF STATE PROCUREMENT

STANDARD SPECIFICATIONS FOR VANS, CARRYALLS AND UTILITY VEHICLES

1. SCOPE AND CLASSIFICATION:

- 1.1 Scope - To set forth the minimum purchasing standards in obtaining vans and utility vehicles in conjunction with this specification and the states requirements.
- 1.2 Classification - Vehicles covered herein shall be of the following types and options as specified in the Invitation for Bid (IFB):

TYPE VAA - 1/2 ton utility van, see addendum 1, page 99
TYPE VAB - 3/4 ton utility van, see addendum 2, page 100
TYPE VAC - 1 ton utility van, see addendum 3, page 101
TYPE VBA - 1/2 ton 8-passenger van, see addendum 4, page 102
TYPE VGA - 3/4 ton 8-passenger van, see addendum 5, page 103
TYPE VCA - 1 ton 12-passenger van, see addendum 6, page 104
TYPE VDA - 1 ton 15-passenger van, see addendum 7, page 105
TYPE VEA - Compact utility van, see addendum 8, page 106
TYPE VFA - Compact 7-passenger van, see addendum 9, page 107
TYPE PHA - Compact 2 WD Utility Vehicle, see addendum 10, page 108
TYPE PFA - Compact 4 WD Utility Vehicle, see addendum 11, page 109
TYPE PSA - Standard 2 WD Utility Vehicle, see addendum 12, page 110
TYPE PSB - Standard 4 WD Utility Vehicle, see addendum 13, page 111
TYPE PMA - Carryall, 8-passenger, see addendum 14, page 112

2. APPLICABLE DOCUMENTS:

- 2.1 Reference to any standard(s), specification(s), amendment(s), and/or test method(s) shall be to the current issue(s) in effect on the date of the Invitation for Bid (IFB).
- 2.2 Gasoline mileage shall conform to minimums shown in the latest edition of the Fuel Economy Guide published by the Environmental Protection Agency.

3. REQUIREMENTS:

- 3.1 All vehicles furnished to the State of Arkansas shall be new and delivered as specified within the Invitation for Bid (IFB). Vehicles shall be furnished with all interior, exterior trim and appointments listed by the manufacturer in printed specifications and literature as standard equipment. Vehicles shall also be equipped with any and all safety equipment required by the State of Arkansas and/or applicable Federal Regulations. Any upgrades and/or additional equipment necessitated by selection of any listed option by the ordering entity shall be included in the prices bid, and no additional charge shall be made by the vendor.

STATE OF ARKANSAS
CONTRACT AWARD

AWARD NO: SP-07-0035

PAGE 98

3.2 Warranty - From date of delivery, each vehicle shall be accompanied by a warranty for a minimum of thirty six (36) months or thirty six thousand (36,000) miles, whichever comes first. Warranty shall certify that the vehicle is of good material and workmanship and that the replacement of any part or parts that fails under normal use within the designated period, free of negligence or accident, will be promptly repaired or replaced at NO cost to the agency, institution, or other public body that purchased the vehicle.

3.2 Specific Requirements - See addenda 1 through 14 for specific requirements appropriate to each type of vehicle listed herein.

4. SAMPLING, INSPECTION, AND TEST PROCEDURES:

4.1 Responsibility for inspection - Unless otherwise specified, the successful contractor will be responsible for performing all inspections required herein. The Office of State Procurement reserves the right to make any and all inspections deemed necessary to insure compliance with these specifications.

4.2 Samples - after bid results are tabulated, the Office of State Procurement reserves the right to require samples of selected vehicles for inspection and evaluation as required in the IFB.

5. PREPARATION FOR DELIVERY:

5.1 Each vehicle shall be completely serviced, cleaned and thoroughly inspected by the successful contractor just prior to delivery to the purchasing entity. No dealer advertisement shall be on any vehicle purchased by the State of Arkansas.

PREDELIVERY REQUIREMENTS:

- a. Complete lubrication.
- b. Fill crankcase with oil.
- c. Adjustment of engine to proper operating conditions.
- d. Inflate tires to proper pressure.
- e. Careful check to assure perfect operation of all mechanical features.
- f. Front end alignment and wheels balanced.
- g. Cleaning of vehicle, if necessary, and removal of all unnecessary tags, stickers, papers, etc. Window price sticker shall not be removed.
- h. No dealer's insignia shall be affixed to automobile.
- i. A minimum 5 gallons of fuel in each vehicle.
- j. Delivery shall be during normal working hours, 8 A.M. - 4 P.M. Monday - Friday.
- k. License plate holder, front and rear.

ADDENDUM 1: TYPE VAA: Full Size One-Half (1/2) Ton Utility Van

A. Equipment:

A.1 Standard equipment - Each van shall be equipped with the following:

- a. Air conditioning: factory installed, including factory installed insulation and heavy-duty alternator.
- b. Alternator: minimum 40 amperes.
- c. Anti-freeze: serviced to -29°C (-20°F) or lower.
- d. Automatic transmission: minimum of three (3) forward speeds and one (1) reverse.
- e. Battery: maintenance free, type recommended by manufacturer for vehicle as equipped.
- f. Bumpers: front and rear.
- g. Cooling system: heavy-duty, including heavy-duty radiator, heavy-duty fan, and factory installed coolant recovery system.
- h. Doors: two (2) front, right and left with crank vertical windows, two (2) right side, to open in opposite direction or one (1) right sliding, and two (2) rear to open in opposite direction.
- i. Engine: a 6-cylinder gasoline engine of the type recommended by manufacturer for vehicle as equipped.
- j. Glass: sides and rear cargo doors, all tinted.
- k. Inside hood latch control.
- l. License plate brackets: front and rear.
- m. Mirrors: two (2) outside, low mount, right and left.
- n. Operator's manual.
- o. Paint: one (1) exterior color selected from manufacturer's list and specified by ordering entity.
- p. Power brakes: factory installed.
- q. Power steering: factory installed.
- r. Radio: factory installed in dash AM/FM.
- s. Seats: two front, driver and passenger, manufacturer's standard colors and materials to coincide with vehicles exterior color.
- t. Shock absorbers: Type recommended by manufacturer for vehicle as equipped.
- u. Tires: Five (5) radial, tubeless, type recommended by manufacturer for vehicle as equipped.

A.2 Optional equipment - Purchasers may choose from the following:

- DO. Glass: sides and rear cargo doors, delete for credit.
- LS. Differential: limited slip, ratio as recommended by manufacturer.
- PO. Automatic speed control (may be dealer installed of same manufacturer as vehicle).
- TO. Without air conditioning.

ADDENDUM 2: TYPE VAB - Full Size Three-Quarter (3/4) Ton Utility Van

A. Equipment:

A.1 Standard equipment - Each van shall be equipped with the following:

- a. Air conditioning with auxiliary rear unit, rear heating factory installed, and heavy-duty alternator.
- b. Alternator: minimum 40 amperes.
- c. Anti-freeze: services to -29°C (-20°F) or lower.
- d. Automatic speed control (may be dealer installed, but of same manufacturer as vehicle) with tilt steering wheel.
- e. Automatic transmission: minimum of three (3) forward speeds and one reverse.
- f. Battery: maintenance free, type recommended by manufacturer for vehicle as equipped.
- g. Bumpers: front and rear.
- h. Cooling system: heavy-duty, including heavy-duty radiator, heavy-duty fan, and factory installed coolant recovery system.
- i. Doors: two (2) front, right and left with cranked vertical opening windows, two (2) right side opposite opening, or one (1) right side sliding, and two (2) rear opposite opening.
- j. Engine: a gasoline fueled eight (8) cylinder engine of the type recommended by manufacturer for vehicle as equipped.
- k. Glass: tinted, all around combination.
- l. Inside hood latch control.
- m. Insulation: top, including full length headliner; sides, including trim panels, trim items may be dealer installed if equivalent in quality to standard type offered by manufacturer.
- n. License plate brackets: front and rear.
- o. Mirrors: two (2) outside, low mount, right and left.
- p. Operator's manual.
- q. Paint: one (1) exterior color selected from manufacturer's list and specified by ordering entity.
- r. Power brakes: factory installed.
- s. Power steering: factory installed.
- t. Radio: factory installed in dash AM/FM.
- u. Seats: two (2) front, driver and passenger.
- v. Shock absorbers: Type recommended by manufacturer for vehicle as equipped.
- w. Tires: five (5) radial, tubeless, type recommended by manufacturer for vehicle as equipped.

A.2 Optional equipment - Purchasers may choose from the following:

- g. Bumpers: front and rear.
- h. Cooling system: heavy-duty, including heavy-duty radiator, heavy-duty fan, and factory installed coolant recovery system.
- i. Differential: ratio as recommended by manufacturer.
- j. Doors: two (2) front; right and left.
- k. Engine: a gasoline fueled 6 cylinder engine of the type recommended by manufacturer for vehicle as equipped.
- l. Glass: all tinted (standard tint).
- m. Inside hood latch control.
- n. Insulation: top, including full length headliner; sides, including trim panels; may be dealer installed if equivalent in quality to standard type offered by vehicle manufacturer.
- o. License plate brackets: front and rear.
- p. Mirrors: exterior, low mount (below eye level type), right and left, and one (1) interior.
- q. Operator's manual.
- r. Paint: one (1) exterior color selected from manufacturer's list and specified by ordering entity.
- s. Power Windows and Power Door Locks: factory installed.**
- t. Power brakes: factory installed.
- u. Power steering: factory installed.
- v. Radio: factory installed in dash AM/FM.
- w. Seats: Bucket or split bench in front, fold down bench type in rear, and seat belts for all seats; manufacturer's standard materials and color to coincide with exterior color.
- x. Shock absorbers: Type recommended by manufacturer for vehicle as equipped.
- y. Tires: four (4) according to manufacturer's factory standard with one (1) spare.
- z. Windshield washer: with two (2) speed wipers.
- aa. Fuel tank: approximately 19-gallon capacity or more.
- bb. Lamp: interior dome with door courtesy warning feature.
- cc. Stabilizer equipment: front.
- dd. Storage box: instrument panel area.
- ee. Trailering package: to include external oil and transmission cooler.

A.2 Optional Equipment - Purchasers may choose from the following:

- CB. Gasoline V-8 engine, not less than 280 CID.
- FO. Power windows (available on four (4) door only).
- KO. Skid plate.
- LO. Special Equipment Package (to include steel wheels, rear window wiper and defroster). (not a police pkg.)
- RO. Four (4) door.
- XO. Hitch, Class III, frame attached, 5000 lb or better towing capacity. Must be dealer or manufacturer installed. Insert bar and ball not included.

- w. Shock absorbers: Manufacturer's recommendation for vehicle as equipped.
- x. Tires: five (5) radial, tubeless, type recommended by manufacturer for vehicle as equipped.
- y. Wheelbase: 130" minimum

A.2 Optional Equipment. Purchasers may choose from the following:

- AO. Four wheel drive (with standard equipment and buyers' choice of options as listed).
- LS. Differential: limited slip, ratio as recommended by manufacturer.
- WO. Factory installed rear air conditioning system.
- XO. Hitch, Class III, frame attached, 7500 lb + towing capacity. Must be dealer or manufacturer installed. Insert bar and ball not included. A minimum rear axle ratio of 3.31 is needed for option XO.

STATE OF ARKANSAS
CONTRACT AWARD

AWARD NO: SP-07-0035

PAGE 113

TERM AWARD TERMS AND CONDITIONS

1. **GENERAL:** All terms and conditions stated in the invitation for bid govern this contract.
2. **PRICES:** Prices are firm and not subject to escalation, unless otherwise specified in the invitation for bid.
3. **DISCOUNTS:** All cash discounts offered will be taken if earned.
4. **TAXES:** Most state agencies must pay state sales tax. Before billing, the contractor should contact the ordering agency to find out if that agency must pay sales tax. Itemize state sales tax when applicable on invoices.
5. **BRAND NAME REFERENCES:** The contractor guarantees that the commodity delivered is the same as specified in the bid.
6. **GUARANTY:** All items delivered are to be newly manufactured, in first- class condition, latest model and design, including, where applicable, containers suitable for shipment and storage unless otherwise indicated in the bid invitation. The contractor guarantees that everything furnished hereunder will be free from defects in design, workmanship, and material; that if sold by drawing, sample or specification, it will conform thereto and will serve the function for which furnished. The contractor further guarantees that if the items furnished hereunder are to be installed by the contractor, such items will function properly when installed. The contractor also guarantees that all applicable laws have been complied with relating to construction, packaging, labeling, and registration. The contractor's obligations under this paragraph shall survive for a period of one year from the date of delivery, unless otherwise specified in the invitation for bid.
7. **AWARD:** This contract award does not authorize shipment. Shipment against this contract is authorized by the receipt of a purchase order from the ordering agency. A written purchase order mailed or otherwise furnished to the contractor results in a binding obligation without further action by either party.
8. **DELIVERY:** The term of the contract is shown on the face of the contract award. The contractor is required to supply the state's needs during this term. The number of days required to place the commodity in the receiving agency's designated location under normal conditions is also shown. Consistent failure to meet delivery without a valid reason may cause removal from the bidders' list or suspension of eligibility for award.
9. **BACK ORDERS OR DELAY IN DELIVERY:** Back orders or failure to deliver within the time required may be default of the contract. The contractor must give written notice to the Office of State Procurement and ordering agency of the reason and the expected delivery date. If the reason is not acceptable, the contractor is in default. The Office of State Procurement has the right to extend delivery if reasons appear valid. If the date is not acceptable, the agency may buy elsewhere.
10. **DELIVERY REQUIREMENTS:** No substitutions or cancellations are permitted without written approval of the Office of State Procurement. Delivery shall be made during agency work hours only, 8:00 a.m. to 4:30 p.m., unless prior approval for other delivery has been obtained from the

STATE OF ARKANSAS
CONTRACT AWARD

AWARD NO: SP-07-0035

PAGE 114

agency. Packing memoranda shall be enclosed with each shipment.

11. **STORAGE:** The ordering agency is responsible for storage if the contractor delivers within the time required and the agency cannot accept delivery.
12. **DEFAULT:** All commodities furnished will be subject to inspection and acceptance of the ordering agency after delivery. Default in promised delivery or failure to meet specifications authorizes the Office of State Procurement to cancel this contract or any portion of same and reasonably purchase commodities elsewhere and charge full increase, if any, in cost and handling to the defaulting contractor.
13. **VARIATION IN QUANTITY:** The state assumes no liability for commodities produced, processed or shipped in excess of the amount specified herein.
14. **INVOICING:** The contractor shall submit an original and two copies of an itemized invoice showing the bid number and purchase request number when itemized in the invitation for bid. Invoices must be sent to "Invoice to" point shown on the purchase order.
15. **STATE PROPERTY:** Any specifications, drawing, technical information, dies, cuts, negatives, positives, data or any other commodity furnished to the contractor hereunder or in contemplation hereof or developed by the contractor for the use hereunder shall remain property of the state, be kept confidential, be used only as expressly authorized, and be returned at the contractor's expense to the F.O.B. point, properly identifying what is being returned.
16. **ASSIGNMENT:** This contract is not assignable nor the duties hereunder delegable by either party without the written consent of the other party to the contract.
17. **OTHER REMEDIES:** In addition to the remedies outlined herein, the contractor and the state have the right to pursue any other remedy permitted by law or in equity.
18. **LACK OF FUNDS:** The state may cancel this contract to the extent funds are no longer legally available for expenditures under this contract. Any delivered but unpaid for goods will be returned in normal condition to the contractor by the state. If the state is unable to return the commodities in normal condition and there are no funds legally available to pay for the goods, the contractor may file a claim with the Arkansas Claims Commission. If the contractor has provided services and there are no longer funds legally available to pay for the services, the contractor may file a claim.
19. **QUANTITIES:** The state may order more or less than the estimated quantity in the invitation for bid.
20. **DISCLOSURE:** Failure to make any disclosure required by the Governor's Executive Order 98-04, or any violation of any rule, regulation, or policy adopted pursuant to that order, shall be a material breach of the terms of this contract. Any contractor, whether an individual or entity, who fails to make the required disclosure or who violates any rule, regulation, or policy shall be subject to all legal remedies available to the agency.
